Mr. K. M. Kunhimoideen *(Kattur).*—I second it.

Motion was put and carried.

Mr. K. M. Ibrahim *(Cranganur).*—I rise to a point of order. I may be allowed to move that the bill be taken into consideration.

Deputy President.—It is only after introduction that you can move. The bill is not before the House. I have no objection to the Hon'ble Member making a speech.

Mr. K. M. Ibrahim *(Cranganur).*—I am not particular in making any speech. I will just show that accordiug to the rules I am entitled.

Deputy President.—The point is this. There is no motion for introduction of the Bill on the Agenda paper. The President can suspend the Standing Order and allow the bill to be taken into consideration. Here there is no such provision.

Mr. K. M. Ibrahim *(Cranganur).*—The rule is at any time I may request the Chair to allow me to move that the bill be taken into consideration. This was the usual practice in this House.

Deputy President.—I cannot allow that. So far as I know there has not been such a practice.
